**2001**  
**Role of the Board of Education**

The board of education (board) is charged by the Legislature with the duty of providing public elementary and secondary education to the citizens of the district. The Legislature has also created the State Board of Education and the State Department of Education and has delegated certain regulatory and advisory functions to them. The board is responsible to these agencies as specified by law.

The board's primary duties are: (1) to establish a mission, goals, and policies; (2) to establish and maintain school facilities; (3) to select a superintendent; (4) to adopt a fiscally responsible budget; and (5) to evaluate programs.

**1. Establishment of Mission, Goals and Policies**

The board shall concern itself with broad questions of mission, goals and policy, rather than administrative details. The application of policies is an administrative task to be performed by the superintendent of schools and his or her administrative staff, who shall be held responsible for the effective administration and supervision of the entire school district.

**2. Establishment and Maintenance of School Facilities and Other Resources**

The board is the legal agency through which the community works to provide the physical facilities, curriculum, instructional supplies and staff to enable the district's mission and objectives to be carried out. The board will establish and maintain school facilities necessary to educate the students of the district.

**3. Selection of the Superintendent of Schools**

The board will employ a superintendent of schools as the chief executive to whom it will delegate, through policy statements and procedures for accountability, the administration of the school program. As the chief administrator for the board, the superintendent will implement board policies and supervise the day-to-day operation of the school system. The superintendent will keep the board informed of the implementation of the plans and policies, and will recommend changes to policies as necessary. The superintendent will furnish educational leadership to the board, the school staff, and the community.

#### 4. Fiscally Responsible Budget

The board will annually adopt a fiscally responsible budget that will permit the district to accomplish its goals and objectives. The management of the financial program and the development of the proposed budget for the district is delegated to the superintendent.

The board will work for adequate and dependable financial support of the public schools, promotion of effective and efficient organization, and administration of the district.

#### 5. Evaluation of Program

The board will evaluate, or cause to be evaluated, the progress and results of the educational program on a continuous basis. In making these evaluations, the board will seek and give appropriate weight to the superintendent's analysis and recommendations.

- b. Those who wish to serve on the board shall file, be elected, and serve terms of office on the board according to law.

2. Internal Organization and Officers

a. President

- i. At the regular January meeting, the board shall elect from among its members a president who shall serve in that capacity for one year.
- ii. The president shall preside at all board meetings, and shall perform such other duties as may be prescribed by law or by action of the board.

b. Vice President

- i. At the regular January meeting, the board shall elect from among its members a vice president who shall serve in that capacity for one year.
- ii. The vice president shall preside in the absence of the president, and shall perform such other duties as are assigned by the board.

c. Secretary

- i. At the regular January meeting, the board shall elect a secretary who need not be a member of the board. The secretary shall serve in that capacity for one year. If the secretary is a member of the board, an assistant secretary may be named and his or her duties and compensation set by the board.

- ii. The secretary shall see that an accurate record of the proceedings of the board is kept, that a copy of the proceedings is provided to each board member and to the superintendent, and that a concise summary of each month's meeting is published along with a list of all approved claims. The secretary shall perform such other duties as are prescribed by law and assigned by the board.

d. Treasurer

- i. At the regular January meeting, the board shall elect, employ, or appoint a treasurer who need not be a member of the board if permitted by law. The treasurer shall serve in that capacity for one year, unless the board designates a longer term for the treasurer.
- ii. The treasurer may be designated to sign checks and certain other documents. The treasurer is the custodian of the monies of the district.
- iii. The treasurer shall give bond or equivalent insurance coverage payable to the district as prescribed by law with the cost of the bond being paid by the district.

- c. The board delegates that the vice president or treasurer may sign any warrant in the absence of either the president or the secretary.

#### 4. Board Officer Voting and Tie Breakers

- a. The vote to elect board officers may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.
- b. In the event any officer cannot be elected by a majority after 10 votes; no votes occur after ten motions fail for lack of a "second,"; or no member volunteers to serve as an officer for a particular position, the tie will be broken by the applicable method:
  - i. If the board is split between two members, they will each serve as the officer for six months of the year. The initial six-month term will be determined by coin flip.
  - ii. If the board is split between more than two members who wish to serve as the officer, any member wanting to serve as the officer will put his or her name into a drawing. The name drawn out will be the officer for the upcoming year unless the position changes by action of the board.
  - iii. If no member is willing to serve as an officer for a position which is required to be a member of the board, all non-officers' names will be put into a drawing. The name drawn out will be the officer for the upcoming year unless the position changes by action of the board.

- iv. Review and approve the social studies curriculum to ensure that it stresses the services of the men and women who played a crucial role in the achievement of national independence, establishment of our constitutional government, and preservation of the union and includes the incorporation of multicultural education as set forth in sections 79-719 to 79-723 in order to instill a pride and respect for the nation's institutions and not be merely a recital of events and dates;
- v. Ensure that any curriculum recommended or approved by the committee on American civics is made readily accessible to the public and contains a reference to this section;
- vi. Ensure that the district develops and utilizes formative, interim, and summative assessments to measure student mastery of the social studies standards adopted pursuant to section 79-760.01;
- vii. Ensure that the social studies curriculum in the district incorporates one or more of the following for each student:
  - 1. a. A vacancy on the board of education shall exist when any one of the following occurs:

i. A member submits his or her formal resignation from the board.

ii. A member removes himself or herself from the district or is absent from the district for a continuous period of sixty days.

iii. A member misses more than two consecutive regular board meetings unless excused by a majority of the remaining members.

iv. Such other reasons as are set forth in Nebraska statutes.

b. The board shall make note the vacancy in its minutes and shall give notice of the date the vacancy occurred, the office vacated, and the length of the unexpired term to (1) the election commissioner or county clerk, and (2) the public by published notice in a newspaper of general circulation in the district.

## **2006 Complaint Procedure**

Good communication helps to resolve many misunderstandings and disagreements. This complaint procedure applies to complaints unless the complaint is subject to a different procedure required by law, policy or contract. Individuals who have a complaint should discuss their concerns with appropriate school personnel in an effort to resolve problems at the lowest level of the chain of command. When those efforts do not resolve matters satisfactorily, including matters involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age, a complainant should follow the procedures set forth in any specific policy addressing those areas or the procedures set forth below. Allegations of sex discrimination covered by Title IX will be addressed through the board's Title IX policy.

References to "coordinator" in this policy refer to the board-designated coordinator for the applicable area, such as the Section 504 Coordinator for allegations of disability-based discrimination.

Under this policy, factual conclusions will be based on a preponderance of the evidence.

### **Complaint and Appeal Process.**

1. The first step is for the complainant to speak directly to the person(s) with whom the complainant has a concern. For example, a parent who is unhappy with a classroom teacher should initially discuss the matter with the teacher. However, the complainant should skip the first step if complainant reasonably believes speaking directly to the person would subject complainant or complainant's student to discrimination or harassment.
2. The second step is for the complainant to speak to the building principal, coordinator, superintendent, or president of the board of education, as set forth below. Anyone with questions about the appropriate person to speak with may request clarification from the superintendent.
  - a) Complaints about the operation, decisions, or personnel within a building should be submitted to the principal of the building.

- b) Complaints about the operations of the school district or a building principal should be submitted in writing to the superintendent of schools.
  - c) Complaints about the superintendent of schools should be submitted in writing to the president of the board of education.
  - d) Complaints involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age may be submitted to the applicable coordinator. Complaints involving discrimination or harassment may also be submitted at any time to the Office for Civil Rights, U.S. Department of Education: by email at [OCR.KansasCity@ed.gov](mailto:OCR.KansasCity@ed.gov); by telephone at (816) 268-0550; or by fax at (816) 268-0599.
3. When a complainant submits a complaint to an administrator or coordinator, the administrator or coordinator shall first determine whether another applicable procedure is required by policy or law and if so, direct the complaint to the appropriate person to follow that procedure. If not, the administrator or coordinator will promptly and thoroughly investigate the complaint, and shall:
- a) Determine whether the complainant has discussed the matter with the respondent.
    - 1) If the complainant has not, urge the complainant to discuss the matter directly with the respondent, if appropriate.
    - 2) If the complainant refuses to discuss the matter with the respondent, the administrator or coordinator shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.
  - b) Strongly encourage the complainant to reduce his or her concerns to writing.
  - c) Interview the complainant and, if necessary, the respondent against whom the complaint is filed, to determine:
    - 1) All relevant details of the complaint;

- 2) All witnesses and documents which the complainant believes support the complaint;
  - 3) The action or solution which the complainant seeks.
  - d) Respond to the complainant. If the complaint involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the administrator or coordinator receives the complaint.
4. If either the complainant or the respondent is not satisfied with the decision, he or she may appeal the decision to the superintendent. The superintendent may assign a qualified designee to hear any appeal.
  - a) The appeal must be in writing.
  - b) This appeal must be received by the superintendent no later than three (3) calendar days from the date of the decision.
  - c) For complaints addressed through other applicable procedures that do not include a separate investigatory process, the superintendent will investigate as he or she deems appropriate.
  - d) The superintendent will prepare a written decision and provide it to the complainant and any other person entitled by law to receive the appeal decision. For complaints involving discrimination or harassment, the superintendent shall submit the decision within 180 calendar days after the superintendent received complainant's written appeal. Appeals to the superintendent from complaints involving discrimination or harassment are final once the superintendent delivers the written decision, as are all other appeals/complaints to the superintendent unless the complaint can be appealed on the limited grounds to appeal to the board below.
5. The board's role is to set policy, establish and implement a budget, and evaluate the superintendent. The board does not manage the daily operations of the school district entrusted to its administration unless required by law or policy. Because of the board's statutory roles, it does not hear complaints or appeals that

may involve oversight or discipline of students, staff, or others, unless those involve allegations against the superintendent as discussed below. The board does not hear complaints or appeals based on allegations of discrimination or harassment unless otherwise required by law. The board will hear appeals only in the following circumstances:

- a) When the complaint is about a board policy, not implementation of the policy;
- b) When the complaint involves the budget or school expenditures that have been or must be approved by the board; or
- c) When the board is required by law, policy, or contract to hear a complaint or appeal.

If a complaint involves those limited grounds and a party is not satisfied with the superintendent's decision regarding the complaint or appeal, he or she may appeal the decision to the board.

- d) This appeal must be in writing.
- e) This appeal must be received by the board president no later than ten (10) calendar days from the date the superintendent communicated the decision to the complainant.
- f) This policy allows, but does not require the board to receive statements from interested parties and witnesses relevant to the complaint or appeal. However, all matters involving discrimination or harassment allegations against the superintendent shall be promptly and thoroughly investigated by the board president or a designee.
- g) The board president will notify the complainant and any other person legally required to receive the decision in writing of the decision. If the complaint involves discrimination or harassment allegations against the Superintendent, the board president shall submit the decision within 180 calendar days after receiving the written appeal.
- h) There is no appeal from any decision of the board unless authorized by law.

6. Formal complaints about the superintendent shall be filed with the president of the board. However, complaints about the superintendent do not include disagreement with the superintendent's decision on appeal based on a complaint of discrimination, harassment, or action of any other employee who is not the superintendent. Upon receipt of a complaint, the board president or his or her designee shall promptly and thoroughly investigate the complaint, and shall:
  - a) Coordinate with school district staff, other than the superintendent, to determine if another procedure in policy or law requires the complaint against the superintendent to follow another procedure. If so, the board president will coordinate handling the complaint through that procedure. If another procedure applies, such as in the case of allegations of sex discrimination against the superintendent, the board president or, at his or her discretion, the full board will serve only to hear any appeal by a party to the complaint.
  - b) Determine whether the complainant has discussed the matter with the superintendent.
    - 1) If the complainant has not, the board president or designee will urge or require the complainant to discuss the matter directly with the superintendent, if appropriate or required.
    - 2) If the complainant refuses to discuss the matter with the superintendent, the board president shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.
  - c) Determine, in his or her sole discretion, whether to place the matter on the board agenda for consideration at a regular or special meeting by the full board.
  - d) Respond to the complainant or appeal. If the complaint or appeal involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the president received the complaint.

- e) Appoint or contract with other individuals qualified to assist the board through this process or any other applicable procedure used to address allegations against the superintendent.

**No Retaliation.** The school district prohibits retaliation against any person for filing a complaint or for participating in the complaint procedure in good faith.

**Special Rules Regarding Educational Services and Related Services to Students with Disabilities.** Students with disabilities and their families have specific rights outlined in state and federal law, including administrative processes by which they may challenge the educational services being provided by the school district. Therefore, the appeal process contained in this policy may not be used to challenge decisions made by a student's individualized education plan (IEP) team or 504 team.

Complaints about the educational services provided a student with a disability, including but not limited to services provided to a student with an IEP, access to curricular and extracurricular activities, and educational placement must be submitted to the school district's Director of Special Education. The Director of Special Education will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of IDEA Parental Rights promulgated by the Nebraska Department of Education.

Complaints about the educational services provided a student with a disability pursuant to a Section 504 plan must be submitted to the school district's 504 Coordinator. The 504 Coordinator will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of Section 504 Parental Rights adopted by the board of education.

Complaints about the educational services provided to a student who is suspected of having a disability must be submitted in writing to the school district's Director of Special Education or to the district's 504 Coordinator. The Director of Special Education or 504 Coordinator will either refer the student for possible verification as a student with a disability or will provide prior written notice of the district's refusal to do so.

**Bad Faith or Serial Filings.** The purpose of the complaint procedure is to resolve complaints at the lowest level possible within the chain of

command. Individuals who file complaints (a) without a good faith intention to attempt to resolve the issues raised; (b) for the purpose of adding administrative burden; (c) at a volume unreasonable to expect satisfactory resolution; or (d) for purposes inconsistent with the efficient operations of the district may be dismissed by the superintendent or board president without providing final resolution other than noting the dismissal. There is no appeal from dismissals made pursuant to this section.

## **2017 Indemnification and Liability Insurance**

In addition to circumstances where it is obligated to provide indemnity or procure insurance, the school board has broad authority to purchase insurance or otherwise indemnify school board members, officers, employees, or agents of the school district. The school board will purchase liability insurance and provide indemnification at its discretion and review its current coverages and indemnification obligations when it deems appropriate.

In the event the school district's current insurance, indemnification agreements, contract obligations, or other promises to indemnify do not cover a situation which the school board can agree to cover, the school board may authorize indemnification. The school board may elect to indemnify any board member, officer, agent, or employee if he or she is a party or is threatened to be made a party in any pending or completed suit, proceeding, or any other action, whether criminal, civil, administrative, or investigative, if the individual is involved because of current or past service on the board, employment, or agency relationship with the school district. However, the indemnification and defense will only be considered if such person acted in good faith and in a manner he or she reasonably believed to be in the best interests or not opposed to the best interests of the school district, including in a criminal proceeding if he or she had no reasonable cause to believe the conduct was unlawful.

In circumstances involving employees, the board delegates to the Superintendent the authority to provide the indemnification to the extent the Superintendent is authorized to procure legal services, as long as the indemnification is otherwise consistent with the authority granted under the law.
