

Get to know the new guy!!!

Hello Southwest Roughrider staff. I would like to first thank you for the opportunity to serve the students, staff and community of Southwest Schools as the 6-12 Principal for the upcoming school year.

I'd like to share somewhat of a timeline for me as we get ready to move to Bartley.

I currently work for DHW Energy in Trenton, Nebraska and will continue until July 17th. We plan to be officially moved into our new house in Bartley by July 19th.

On Wednesday the 20th I will be at Southwest High School to update my Level II bus licence with the other drivers. My daughter, Reese, made it to state track as a senior in the 200 M Dash and 4x100 M Relay. We will be headed to Omaha Friday the 22nd and Saturday the 23rd. From May 27th through June 5th our family will be going on a Make a Wish trip. Our daughter Reese has been cancer free for a year now!!! I will be a normal working person with DHW the rest of June.

I plan on being in the building on Tuesday, July 21st doing whatever needs done from then until the beginning of the school year. I will be attending Administrator Days July 28th through the 31st.

I will be available in the evenings and some weekends throughout the summer. In the meantime please feel free to e-mail me at mike.tines@swpschools.org . I will try to respond ASAP.
